

Rochester Township

Resolution Number 2020 – 05-01

WHEREAS, Rochester Township adopted Resolution Number 2018-09-01 restricting development which would access Meadow Crossing Road; and,

WHEREAS, Rochester Township has received a general development plan and zone change request from Edward Clark for a development south of Meadow Crossing Road; and,

WHEREAS, Edward Clark has provided a traffic study developed by Short Elliot Henderson, Inc. to show the effects of future development on both the south and north side of Meadow Crossing Road along with the effects of future development which could happen along said roadway; and,

WHEREAS, the study does not show a reduction of impact on Meadow Crossing Road, but does provide information on future development; and,

WHEREAS, township staff, engineer and county public works department have reviewed the study and made recommendations.

NOW THEREFORE BE IT RESOLVED:

The Rochester Township Board shall allow the Clark Development south of Meadow Crossing Road to move through the development process on its' own merits.

This resolution does not grant township support of said development but allows the development to be considered.

Nor does this resolution adopt the findings of said traffic study.

Passed and adopted this 14<sup>th</sup> day of May 2020
